SUMMARY

I am a 5th-semester student of informatics engineering at Institut Teknologi Sepuluh Nopember. I like challenges and new things. I am known as a friendly and reliable person. I have good analysis and details. i can work independently and team.

EXPERIENCE

Manager of Web Development at IEEE ITS SB   **Apr-2025 - Present**

Led Web Development division at IEEE ITS student branch as a full-stack developer and project manager. Responsible for overseeing team workflows, delivering web projects, and collaborating across departments to support organizational needs.

Founder & Mentor of TC Mudah Course   **Oct 2024 - Present**

Founder and mentor of TC Mudah, an online tutoring platform dedicated to the Informatics Engineering department at ITS. TC Mudah offers courses tailored to first and second-semester students, focusing on key subjects to support their academic journey.

Backend Developer of Flexoo Software House TC   **June 2024 - Oct 2025**

As a backend developer of Flexoo software house Teknik Informatika ITS, I worked based on client request with a team that included ui/ux designer and front-end developer.

Web Developer Internship of Antasena ITS   **Sept 2024 - Oct 2024**

Contribute to designing and developing websites, covering all stages from UI/UX design to front-end and back-end implementation. This role involves collaborating on user interface design, coding web functionality, and managing server-side operations to deliver complete and responsive web solutions.

Lecturer Assistant of Dasar Pemrograman   **Aug 2024 - Dec 2024**

I assist students in understanding fundamental programming concepts, provide guidance during lab sessions, help clarify complex coding problems, and being a problemsetter for practicum

Schematics NPC Staff   **Mar 2024 - Oct 2024**

Made some problems for the National Programming Contest (Competitive Programming) of Schematics within the scope of ICPC for senior contestants.

Staff of Secretarial GERIGI ITS   **June 2024 - Aug 2024**

Guiding and accompanying new students during GERIGI ITS, also inputting new student data that I supervise starting from attendance, assignments, permits, and many others.

EDUCATION

Bachelor of Informatics Engineering   **July 2023 - Present**
Institut Teknologi Sepuluh Nopember

SKILLS & CERTIFICATION

- **Programming Languages:** C/C++, PL/SQL, Java, Python, HTML, CSS, JS/TS, PHP.
- **Certifications:**
  - Back End Developer Training — IEEE ITS Student Branch.
  - Building Web Applications in PHP Course — University Of Michigan.
  - HTML CSS, and Javascript for Web Developers Course — John Hopkins University.
  - Object-Oriented Data Structures in C++ Course — University of Illinois Urbana-Champaign.
- **Achivement:**
  - 1st Place — SECOMP 2025 (Telkom University), Competitive Programming.
  - 1st Place — CODE 5.0 (Amikom University), Competitive Programming.
  - Finalist — Recursion 1.0 (Hasanuddin University), Competitive Programming.
  - Codeforces: Expert
- **Frontend:** Next.js, React, Bootstrap, Tailwind CSS, Laravel.
- **Backend:** Express JS, Gin, FastAPI, Laravel.
- **Database/Infra:** PostgreSQL/Prisma, Supabase, Docker, CI/CD (GitHub Actions)
- **Tools:** Git, Figma, Postman, Vercel.
